

Paint Your House

It is not always economy to buy the cheapest, especially is this true with paint. You can buy an adulterated oil for 10c per gal. less than

Crown Linseed Oil,

and you can buy a cheap paint for 15c per gal. less than **MOUND CITY PAINT.** But when your house needs painting again in two year instead of 4 or 5 years, what have you gained? If you are interested come in and let us talk to you about a **PURE PAINT.**

He says where he is no wot known, he will be before the campaign is over, as he expects to make a close canvass of the county and see every voter and tell him personally that he will appreciate his support.

Mr. Battle is a good man, honorable and trustworthy in every sense of the word, and a Christian gentleman. He has never held an office and never sought office before. He is now a candidate because he wants the office, needs it, and believes himself fully qualified to discharge its every duty. He promises the people, if they see fit to elect him, a business-like, courteous administration, and to look after the affairs of the office personally, to the very best of his ability.

The Eagle submits his claims to the Democratic voters of the county.

C. L. BAKER FOR CONSTABLE.

Mr. C. L. Baker places his name before the voters of precinct No. 4 today through the columns of The Eagle as a candidate for re-election to the office of constable. He announces subject to the July Democratic primary.

Mr. Baker is well known to every voter of the precinct. He has lived in Bryan 37 years, coming here with his father's family when only three years of age. For more than half the time he has lived here he has been a peace officer. He was deputy sheriff for four years and for the past 16 years has been constable of this precinct. He has made a faithful and efficient officer, never shirking a single duty, and has discharged his official duties without fear or favor.

If re-elected he promises the same faithful discharge of every duty of the office in future as in the past, and will appreciate the support of the people as heartily as he is thankful for the favors already extended him.

The Eagle submits his claims to the voters of precinct No. 4.

GEN. DAVIDSON HERE.

Gen. R. V. Davidson, of Austin, candidate for governor of Texas, arrived in the city last night to fill his appointment here this afternoon. A great many of his friends and supporters called on him at his hotel during the early morning and later he was escorted on Main street by a committee who introduced him to the people. At 11 o'clock, in company with Mayor Maloney, J. E. Butler and M. H. James, he was driven to the A. and M. College and shown many courtesies there. He addressed the citizens of the county at the court house at 2 o'clock this afternoon. A more extended notice of the speech will appear tomorrow.

DITCHING CREW HERE.

Mr. T. L. Smith, a civil engineer of Eagle Lake, who is working on the Brazos levee under Prof. J. C. Nagle, arrived last night from Houston with a ditching crew of 16 men. They went out to the levee works this morning and will proceed at once with the work of ditching "Old River." In building the levee it was necessary to dam up old river which necessitated its being ditched at another point to prevent it from overflowing. This work cannot be done with mules and scrapers but must be done by hand with shovels, and nearly all of Mr. Smith's men are experienced shovel men. He says one of them, especially, who has had long years of practice, can move almost as much dirt in a day with a shovel as a man can with a pair of mules and a scraper.

There will be a tea Friday afternoon from 4 until 7, at the residence of Mrs. J. M. Lawrence, for the benefit of the Woman's Home Mission society. Everybody invited to attend. 128

K. K. Hooper, special correspondent of the Houston Chronicle, was here today to report the Davidson speech for his paper. Mr. Hooper was for several years connected with the experiment station at the A. and M. College and has many friends in Bryan. Since leaving the college he has been engaged in newspaper business in Temple and recently associated himself with the Chronicle. Mr. Briggs, special representative of the Houston Post, Fort Worth Record and San Antonio Express, was also here to report the speech for his papers.
